I. INTRODUCTION

Banking business has done wonders in the world economy. The simple looking method of accepting money deposits from savers and then lending the same money to borrowers, banking activity encourages the flow of money to productive use and investments. This in turn allows the economy to grow. The co-operative banks are organized and managed on the principles of co-operation "Self-Help and mutual help". Souharda Co-operative Banks (SCBs) which are mainly catering to the needs of middle class and weaker sections of urban and semi urban areas.

The Guardian Souharda Sahakari Bank Niyamita (GSSBN) was established in 31st July 1998. Under the Karnataka Souharda Sahakari Act (KSSA) 1997. Mr. Collin R. Timms is the founder of the bank. This bank is one leading souharda co-operative bank in Karnataka state and got "Best Co-operative Bank" award of the year 2013" by the Karnataka State Federal Co-operative Limited in Bangalore. The bank has played its pivotal role in providing active counseling and assistance for all financial needs in service of the community. GSSBN envisages helping all members of the society focusing mainly on families and individuals the middle lower-middle class and poor sections. This bank is especially conceived and designed to meet the needs of family segments within the communities. Family is the building block of the society, and encourages thrift and enterprise among the youth. The prohibitive cost of higher education has been a major deterrent for the poor. GSSBN bank provide innovative credit scheme for this purpose.

GSSBN has promote saving among housewives by organizing weekly or monthly collections on a door to door basis. The potential for developing enterprise among women is immense given timely credit and simple counseling, women can be self employed with cottage and home industries, such as process foods, pickles, papads, needle work etc.

This bank has provide simple and attractive savings, schemes, credit for improving the quality of his/her life by purchasing time saving device and appliances, financial assistance and advice in self employment and opening of small business in order to exploit the full potential of his his/her skill. And provided their special needs like, health, hospitalizations etc. it will also seek to provide personalized services for their banking transactions like depositing pension slips, provided fund, LIC payments and with drawals, also advice them on investments, to enable them to have a safe and regular income at the twisting time in their lives. Senior citizens are given 0.5 percent extra on the deposits.
